**CERTIFICATION OF MATTHEW S. BARR IN
SUPPORT OF FOURTH AND FINAL FEE APPLICATION OF WEIL,
GOTSHAL & MANGES LLP, AS ATTORNEYS FOR THE DEBTORS,
FOR ALLOWANCE OF COMPENSATION FOR PROFESSIONAL SERVICES
RENDERED AND REIMBURSEMENT OF ACTUAL AND NECESSARY EXPENSES
DURING (I) FOURTH FEE PERIOD OF
MAY 1, 2021 THROUGH AUGUST 27, 2021, AND (II) FINAL COMPENSATION
PERIOD OF AUGUST 3, 2020 THROUGH AUGUST 27, 2021**

I, Matthew S. Barr, hereby certify that:

1. I am a Partner of the firm, Weil, Gotshal & Manges LLP (“**Weil**”), with responsibility for the chapter 11 cases of (i) Fieldwood Energy III LLC,² Fieldwood Energy Inc., and Fieldwood Energy Offshore LLC, and (ii) Fieldwood Energy LLC and thirteen of its affiliates (collectively, the “**Debtors**”), prior to the Effective Date, in the above captioned chapter 11 cases.

¹ The Post-Effective Date Debtors, along with the last four digits of each Post-Effective Date Debtor’s federal tax identification number, as applicable, are: Fieldwood Energy III LLC (6778); Fieldwood Energy Offshore LLC (4494), Fieldwood Energy Inc. (4991), GOM Shelf LLC (8107), and FW GOM Pipeline, Inc. (8440). Fieldwood Energy III LLC, Fieldwood Energy Offshore LLC, and Fieldwood Energy Inc. are managed and operated by the Plan Administrator, whose primary mailing address is 16255 Ventura Blvd., Suite 440, Encino, CA, 91436, C/O of Province LLC. GOM Shelf LLC and FW GOM Pipeline, Inc. (collectively, the “**Post-Effective Date FWE I Subsidiaries**”) are managed and operated by Jon Graham, as sole manager of each Post-Effective Date FWE I Subsidiary. The Debtors in the other nine pending chapter 11 cases (which continue to be jointly administered with the cases of the Post-Effective Date Debtors), each of which have either been dissolved or merged into other entities as of the Effective Date, consist of the following: Dynamic Offshore Resources NS, LLC (0158); Fieldwood Onshore LLC (3489); Fieldwood SD Offshore LLC (8786); Fieldwood Offshore LLC (2930); Bandon Oil and Gas GP, LLC (9172); Bandon Oil and Gas, LP (9266); Fieldwood Energy SP LLC (1971); Galveston Bay Pipeline LLC (5703); and Galveston Bay Processing LLC (0422).

² As contemplated by the Plan, Fieldwood Energy LLC changed its name to Fieldwood Energy III LLC following a Divisive Merger pursuant to the Initial Plan of Merger.

2. This certification (“**Certification**”) is made in connection with Weil’s fee application, dated October 12, 2021 (the “**Application**”),³ for (i) final allowance of compensation and reimbursement of expenses for the period commencing May 1, 2021 through August 27, 2021 (the “**Fourth Fee Period**”) and (ii) final allowance of compensation and reimbursement of expenses for the period commencing August 3, 2020 through August 27, 2021 (the “**Final Compensation Period**” and, together with the Fourth Fee Period, the “**Compensation Periods**”). I have reviewed the Application and hereby certify that the Application complies with the applicable provisions of the Bankruptcy Code, Bankruptcy Rules, Bankruptcy Local Rules, and Fee Guidelines.

3. Weil discussed its rates, fees, and budget with the Debtors during the chapter 11 cases. The budget prepared in connection with Weil’s representation of the Debtors in the chapter 11 cases and a summary of the staffing plan are attached to the Application as **Exhibit G** and **Exhibit H**, respectively.

4. In accordance with the Fee Guidelines, Weil responds to the questions identified therein as follows:

Question 1: Did Weil agree to any variations from, or alternatives to, Weil’s standard or customary billing rates, fees or terms for services pertaining to this engagement that were provided during the Compensation Periods? If so, please explain.

Answer: No.

Question 2: If the fees sought in the Application as compared to the fees budgeted for the time period covered by the Application are higher by 10% or more, did Weil discuss the reasons for the variation with the client?

Answer: The budget covering the Fourth Fee Period provided by Weil to the Debtors anticipated that the Effective Date of the Plan would occur

³ Capitalized terms used but not otherwise defined herein shall have the meaning ascribed to such terms in the Application.

no later than the end of July of 2021 and therefore did not include estimated fees for August 1-27, 2021. Because emergence was delayed until August 27, 2021 (27 days beyond the budget period), the fees sought in the Application are higher than the budgeted fees by more than 10%.

Question 3: Have any of the professionals included in the Application varied their hourly rate based on geographic location of the bankruptcy case?

Answer: No.

Question 4: Does the Application include time or fees related to reviewing or revising time records or preparing, reviewing or revising invoices? If so, please quantify by hours and fees.

Answer: Yes. The total time expended for such matters during the Compensation Period is included within Task Code 024.

Question 5: Does the Application include time or fees for reviewing time records to redact any privileged or other confidential information? If so, please quantify hours and fees.

Answer: Yes. The total time expended for such matters during the Compensation Period is included within Task Code 024.

Question 6: Does the Application include any rate increases since Weil's retention in these cases? If so, did the client review and approve those rate increases in advance? Did the client agree when retaining the law firm to accept all future rate increases?

Answer: Yes, Weil's rates increased on January 1, 2021. The Debtors, the U.S. Trustee, and the Creditors' Committee were notified of the rate increase on September 18, 2020 and did not object to the increase. In addition, the Engagement Letter between the Debtors and Weil provides that Weil periodically adjusts its billing rates.
